Re: United States v. Tyrique Snowden  
Ind No.: S3 20 Cr. 057 (GBD)

Dated: JAN 20 2022

Dear Judge Daniels:

I represent Tyrique Snowden in the above-referenced matter. I write to request that the Court permit the filing of a corrected sentencing letter in this matter because of a factual error it corrects in the letter originally electronically filed by my office at or about 5:12 PM on this date. The original letter incorrectly stated the month and year of my client's arrest at page 4 as February 2019, instead of the correct month and year, February 2020, and incorrectly stated he was present at MCC at the time of Jeffrey Epstein's suicide. These facts are material to certain arguments presented, and it is therefore respectfully requested that the corrected letter replace that which was originally filed in order that the facts be correctly stated. In all respects other than that identified herein, the corrected letter is identical to the original filing, and nothing else has been altered.

Additionally, it is respectfully requested that this Court direct the clerk's office to remove the originally filed sentencing letter from the electronic docket of the case, and that this Court deem the corrected letter the defendant's sentencing submission for all purposes.

Thank you very much for your attention.

Respectfully submitted,

*Robert A. Soloway*
